Sir,

I have the honour to state that the Mysore City Municipality is running an Ayurvedic Hospital, which is located in Chamundipuram The staff of the Hospital is as noted in the margin and has been sanctioned by Government in their Order No R 15118-19/M1 138-46 dated 24th May 1919 As this is the only Ayurvedic Hospital in this place run by the Municipality it has been found impossible, at present, to give any change or transfer to the personnel even if for some reason or other, a necessity for the same should arise as happened very recently when there was an ugly scene in the Hospital between the Pandit and Compounder necessitating the transfer of both the Pandit and the compounder in the interests of the institution But it was found that such a transfer was rendered very difficult owing to the grades in the Ayurvedic Hospital being different from the grades prevailing in the Ayurvedic and Unani College and the transfer had to be made pending formal orders with the special permission of the Muzrai Commissioner

1	One Pandit in grade 35-5/2-50
2	One compounder in grade 10-12-15-18-20-22-25/3
3	One peon on Rs 9/-

2 The question whether it would not be desirable both in the interest of the Municipality and in the larger interest of such dispensaries to transfer officials from this Hospital to the Ayurvedic College and vice versa, was therefore taken up and discussed informall both in the Municipal Council and in the Ayurvedic and Unani College Committee and both these were agreeable to the same and felt that it

was a move in the proper direction, since it would also enable the Municipal Ayurvedic Hospital getting the advantage of well-trained Ayurvedic doctors to man the same

3 To facilitate such transfers, a proposition was put up before the Municipal Council to revise the scales of pay of the Pandit and the compounder of the Municipal Indigineous Hospital to be in accordance with the scale prevailing in th Ayurvedic College and this was approved by the Municipal Council in their resolution No 1033 dated 27th June 1942 A copy of the note prepared by me in this connection, to the Municipal Council, is also enclosed I, therefore, request that sanction of Government may kindly be accorded to the revision of the scale of pay of the Pandit and the compounder of the Municipal Indigenous Hospital as noted in the margin, so as to correspond with the scales prevailing in the Ayurvedic College The necessary extra cost on this account will be met either by reappropriation of sanctioned grants or from closing balance

Memo

Subject - Grade pay of Pandit and Compounder in the Indigenous Hospital, ysore to coincide with the grades in the Ayurvedic Hospital

===

In the interest of the Indigenous Hospital which is under the control of the Municipality, it is necessary to change the grades of the Pandit and Compounder so as to correspond with the scale obtaining in the Ayurvedic College so that transfers may be effected between the Pandits and Compounders in the College and in our Hospital

The scale in the Indigenous Hospital is at present as follows -

(1) Pandit Rs 35-5/2-50

(2) Compounder " 10-12-15-18-20-22-25/3

In the Government Ayurvedic College and Hospital Mysore the scale of the Pandit and Compounder is as follows -

(1) Pandits on R 30-2-40 or 40-4-60 - according as a Senior or Junior official is posted

(2) Compounder on Rs 20-2-30

By making the scale of pay in the Municipal Indigenous Hospital equal to that in the Government Ayurvedic and Unani Hospital Mysore the net increase in average cost will amount to 17-13-4 per month or R 214-0-0 per year This will be met out of General Savings or reappropriation during next year and sufficient provision will be made therefor in future Budgets

Sir,

Your letter No C 1706/41-42 dated 11/12th August 1942 regarding the transfer of Dheerasingh and Channigarayappa

---

With reference to the above, I have the honour to state as follows -

In your letter No Dg Dis 638/38-39 dated the 4th January 1939 the following three points were raised -

1) The Municipal Dispensary is a Grant-in-Aid Institution
2) The Ayurvedic and Unani College is a Government Institution whose employees are entitled to leave allowances and pension
3) The temporary arrangement was objectionable from point of audit

As regards the first and second points, I write to state that the Municipal Dispensary is not a Grant-in-Aid Institution, but is regular a Municipal Indigenous Hospital whose employees are entitled to leave allowances and pension just like Government employees As regards the point three, there could be no audit objection since there is free exchange of officials in the other Sections of the Municipality such as Revenue, Public Works Department and Health between Municipal and Government employees and vice versa

As suggested there would perhaps be no objection by the Municipality to revise the grade of the Pandit to correspond with
